

Alfie Devine

Attacking Midfield • 21 yrs • Preston North End • Championship • 2025/2026
England • Right foot • 182cm • Contract: June 2027

Alfie Devine is a young attacking midfielder at Preston who plays like an old-school goalscoring midfielder. He wants to get on the ball between the lines, turn and drive at the back line, and he's always looking to arrive late in the box. He's got a clean strike, sees combinations quickly around the area, and he'll take responsibility in tight moments, but he can still get knocked off it when games get physical and he's learning when to force the killer action versus when to keep the move alive. The tools are there for him to be a proper Championship difference-maker if he can add consistency and is able to stand up to the week-to-week physical side demands of the league.
