

Shea Emmanuel Charles

Defensive Midfield • 22 yrs • Southampton • Championship • 2025/2026
Northern Ireland • Right foot • 189cm • Contract: June 2027

Shea Charles is a Southampton holding midfielder who plays like a proper #6: he is comfortable taking the ball off the centre-backs, setting the tempo, and progressing play with a good range of passes. He's a clean and reliable passer who can switch play, find the spare man early, and keep attacks moving with one and two-touch actions, and he backs that up defensively with good positioning, he screens the back line, reads danger early, and steps in to win/intercept without getting dragged out of shape. For his next step, it's less about "can he pass?" and more about adding top-level midfield impact: improving his presence in the game when teams go man-to-man on him, becoming more consistent at breaking pressure with carries as well as passes, and sharpening his involvement in the final-third.
