Duels Won %

80.7% (tackling, interceptions, competing in duels) and his ability to handle

frequent defensive actions over a match, while his limitations show more in

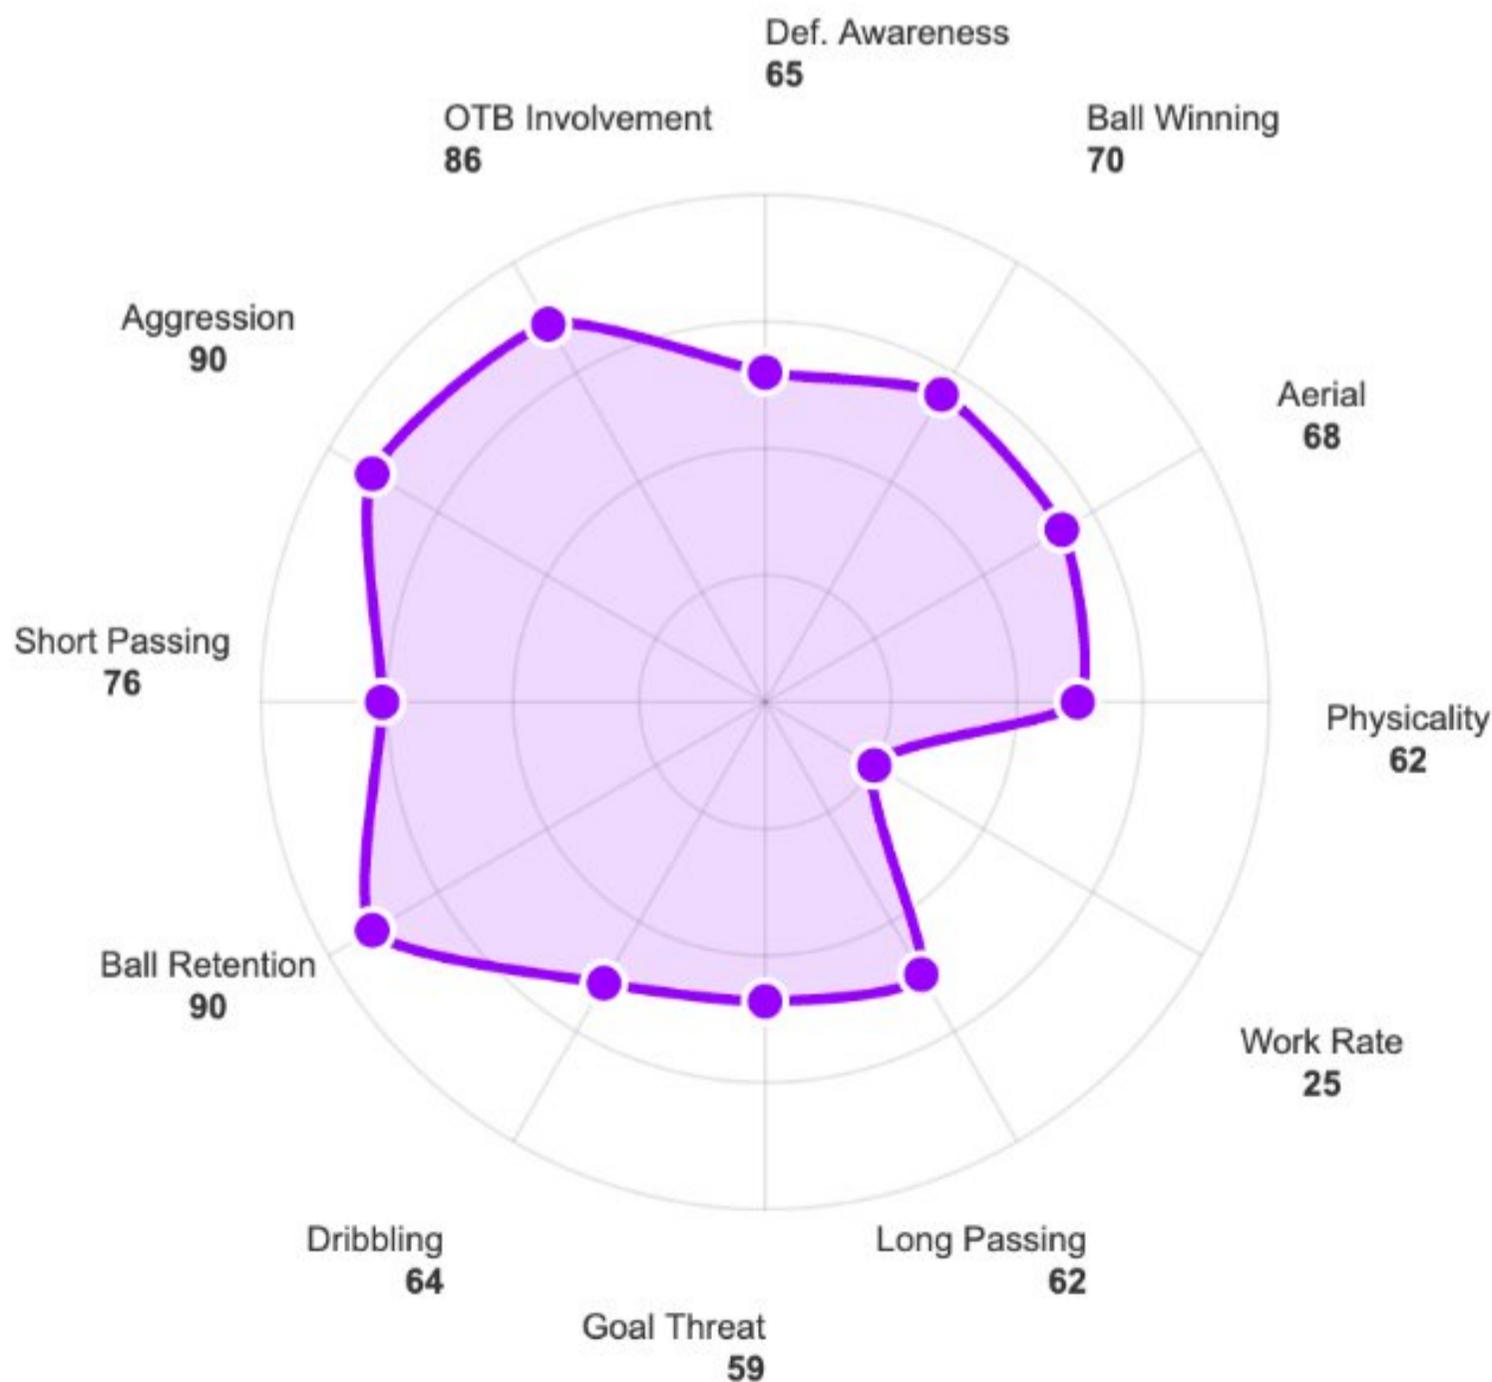

the attacking phase: he's not a natural high-volume creator from wide

areas and doesn't consistently provide top-level delivery or chance

creation as an overlapping fullback. The next step for him is adding more

final-third contribution, better crosses/cut-backs and better timing/variety in

his runs, without losing his defensive intensity.
