Defender • 19 yrs • SC Cambuur • Eerste Divisie • 2025/2026

Morocco • Right foot • 183cm • Contract: June 2028

Baouf sits slightly above the main cluster for aerial output while remaining around the middle for duel success, suggesting that he is a defender who can hold his own in contact and box situations without being seen as the pure "stopper" type.

## Interceptions vs Pass Accuracy %

As seen in this plot, he shifts toward the right edge for pass accuracy while staying within the central band for interceptions, pointing towards a centre-back who offers above-average security in possession without dropping off defensively.
