

# THE DANCE STEPS YOU FOLLOW IN?

ABIGAIL, TARA AND KAT ARE PICKING PEOPLE FOR AN ACADEMY GROUP PRODUCTION. ANSWER THE QUESTIONS AND GO WITH THE FLOW TO SEE WHO YOU PAIR UP WITH

## Optimism is awesome!

You should always think of things positively. There's a saying that states: 'The glass is either half full or half empty', depending on how you look at it. I believe you should see the glass as half full. No matter how tough things are, someone else in the world is always worse off than you.

## Go for it!

Kat is very determined. Once she sets her mind on something she wants to achieve she never gives up, which is a very good 'tude attribute to have.

## Keep smiling!

I think you should always smile, even if you're in a bad mood. The more you tell yourself you're happy, the happier you will become.

# QUIZ

# IS YOUR BFF FABULOUS?

WE ALL LOVE OUR BEST BUDDIES, BUT WILL YOURS GET A FRIENDSHIP GOLD STAR?

**1** There's a new kid in school who's looking lonely.

Your BFF...

- A:** Invites them to join in on the fun and introduces them to everyone.
- B:** Goes out of their way to say 'hi' whenever they see them.
- C:** Continues doing their own thing, not really noticing them.

**2** You've got toilet paper stuck to your shoe, so your BFF...

- A:** Tells you discreetly, so you don't get embarrassed.
- B:** Meant to tell you, forgot, and then remembers so sends an emergency SMS!
- C:** Calls you 'Poo Shoe' in front of everyone as a joke, but doesn't reveal why.

**3** You ring your BFF for a shoulder to cry on, as you've had a shocker day. They...

- A:** Listen intently, and then turn up on your doorstep with your favourite chocolates!
- B:** Console you, but you know they're watching *Dance Academy* in the background!
- C:** Put you hold ("Sorry, I'll be quick!") because their crush is calling.

**4** You tell your BFF a very important secret. What would they do?

- A:** Keep it under lock and key, that's why they're called secrets!
- B:** Thinks they may've let it slip to one person, but alerts you immediately.
- C:** Posts it as their online status update - it's too juicy not to!

**5** You and your BFF have a silly little argument, so they...

- A:** Hug you, then suggest you both talk it over and say sorry.
- B:** Talk about it, but don't really listen to your side.
- C:** Give you the silent treatment for six months, and then still blame you.

**6** Yay, it's your birthday! Your BFF...

- A:** Makes you a personalised card and throws you a surprise party.
- B:** Buys you a present; it's the wrong size, but it's the thought that counts.
- C:** Oops! Forgot! Make it up to you, promise!

# How Did You Score?

## Mostly As Gold Star!

Give your BFF a big hug and high five to let them know how fabulous they are! Whether it's for fun times or for someone in need, there's no doubt they are always by your side.

## Mostly Bs Silver Star!

Your BFF is a pretty awesome person, that's for sure! They might not make it obvious, but they've definitely got your back – you just might have to remind them sometimes.

## Mostly Cs Bronze Star!

OK, so it's no secret your BFF might sometimes put their needs in front of yours. But they're your BFF for a reason, so there's no harm in nicely letting them know you've got feelings too.

**7** You're shopping and both try on the same top that clearly suits you better. Your BFF...

- A:** Compliments you endlessly, then finds another top to try on.
- B:** Buys the same top and insists you'll have to take turns when to wear it.
- C:** Responds with unflattering comments; there's no way you want it now!

**8** Your BFF is getting an A in English, but you're struggling with a D. They...

- A:** Offer to help you out during lunch breaks until your grade improves.
- B:** Explain a few things, but some of it too quickly for you to understand.
- C:** Shrug and continue with their own study.

**9** Someone is being a bit mean to you, so your BFF...

- A:** Puts their arm around you and insists you don't worry about it.
- B:** Veers in the other direction so they don't get picked on.
- C:** Shows some sympathy, but can't help laughing at the bully's comments.

**10** Your BFF wins tickets to see your favourite band, so they...

- A:** Don't wait one second before excitedly announcing you're their guest.
- B:** Ask you to come, but only after the coolest kid in school turns them down.
- C:** Sell them online to make some sweet cash.

Scientology is, like, so last week. Madonna's praising of the mystical Kabbalah – the new spiritual craze in Tinsletown – is catching on. **SHIT** Having to study for looming exams. Doesn't the education department know the action on *Australian Idol* is hotting up?!!

**HIT** Mary-Kate's discharging from the clinic she checked into because of great progress with her eating disorder. Keep up the good work, MK.

**SHIT** Yet more reports about the rocky love-life of our Kylie. Come on, Kyles! Just cos he's pretty doesn't mean you have to take his crap!

# Down under in Indonesia

**Going to school in Bali isn't such a foreign experience after all, as Kate McMahon discovers.**

Imagine your family relocated to Indonesia and you had to go to school there. No doubt you'd be thinking: What about the language? Are the subjects different over there? Well, the students from the Australian International School (AIS) in Bali have a message for you: 'No worries, mate!'

Located at Kerobokan on the south-west coast of Bali, AIS sits right on a busy main road where traffic horns toot noisily. The outside might not look so inviting, with its big iron gate and security guards to help you cross the street, but inside you'll find a traditional Balinese-style building set in a tropical garden.

Teachers follow an Australian curriculum and classes range from preschool right up to Year 12, which has its benefits. 'The younger students can rely on the older ones for support,' says John Milliss, AIS principal.

Katya, 10, reveals why she enjoys AIS so much. 'Everyone's welcome here. I have friends from Indonesia, Korea, Japan, Italy, France, South Africa and Australia,' she says. 'There's always sunshine, and we're right by the ocean and rice fields.'

Katya

### Did you know?

**AIS Bali is renowned for its musical performances. This year's play is the magical *Alice in Wonderland*, and Katya is the Caterpillar. Break a leg, guys!**

## SKATER BIRD!

No, this cockatoo hasn't suddenly sprouted a set of wheels! It's showing off its skating skills by performing at a national holiday celebration in Shenyang, China. We can't wait to see it get some air (no wings allowed!).

## PLAYING CAT AND MOUSE!
