## Diploma in User Experience

### About Me

I am a second-year student keen on gaining insights into the intricate processes involved in user experience design. I pride myself on being a diligent worker, prioritizing the success of my individual and team assignments, no matter the complexity of the task at hand. Furthermore, I am experienced with a range of commonly used digital tools, such as Balsamiq Wireframes, Axure Rp 8, Figma and the Microsoft 365 Suite applications.
