- Photoshop
- Unity
- C#
- Project Management
- Effective Communication
- Critical Thinking

### PROFILE

A self-driven, second-year student at Republic Polytechnic studying Game Design and Gamification. Experienced in using Blender and eager to learn more.

### WORK EXPERIENCE

Sanwa-Intec(Asia) Pte Ltd

APR 2023 - AUG 2023

Outgoing Quality Assessment  
Inspector (Internship)

- I taught my fellow OQA Inspectors how to use Excel sheets properly and how they can identify mistakes and then solve them.
- I taught my junior all about the role and what to do.
- Successfully identified defects in the products.
- Managed to work fine when there was a rush of shipments to be done, clearing roughly 100+ cases of products.

### ORGANISATIONAL EXPERIENCE

Makers Interest Group

JUN 2024 - PRESENT

EXCO - Outreach

- Involved in MakerFest 2026 Planning
- Involved in CCA Fiesta 2025
- Planned a few workshops such as 3D Pen, Soap Making.
