I led a group of 20 freshmen to participate in a bunch of class bonding activities for the orientation programme and brought them around the school for two days. I ensured that the freshmen in my group are okay and took care of them when they needed help. I also let them know about the school and answered any question they have about their modules or diplomas.

Skills, Achievements & Other Experience:

Soft Skills:

- Adaptability, teamworker, communication skills, collaboration, empathy, attention to detail, critical thinking
