Profile

I'm a dedicated Sonic Arts diploma student with a strong interest in sound design and love for the outdoors, often drawing creative inspiration from natural environments. I believe my discipline, attention to detail, and teamwork are key strengths I bring to any role. I'm seeking an internship that challenges me creatively while helping me grow skills that are valuable in both the arts and public service.

Skills

DIGITAL AUDIO WORKSTATIONS

- **Ableton Live:** Audio and MIDI recording, basic sound design using stock instruments and effects
- **Adobe Audition:** Audio editing and trimming, basic EQ, dialogue cleanup and noise reduction
- **Pro Tools:** Audio recording, session setup, signal routing (inputs, outputs, buses), basic mixing

Interactive audio Software

- **Wwise** Audio asset implementation and organisation, 3D attenuation, randomisation, looping, and switch containers

Video Editing Software

- **Adobe Premiere Pro:** Timeline-based editing, audio to video synchronisation, cutting and trimming, basic audio mixing
- **Capcut:** Timeline editing, audio to video synchronisation, cutting and trimming, basic audio mixing

Live Sound Reinforcement

- **Dante network setup:** Device routing, patching outputs to Rio stage boxes
- **Live Sound Setup:** Microphone and speaker placement, cable management, signal flow, system checks, basic system tuning, wireless device management
- **Console Mixing techniques:** Basic level balancing, EQ, and dynamics processing (compression and gating)

Recording & Post-Production Techniques Microphone techniques

- Signal flow understanding, talkback setup
- DAW-based recording: Punch-in recording, click track setup, gain staging
- Post production: Non-destructive editing, automation, plugin processing, vocal/instrument comping

Sound design

- **SFX creation** - Use of sound libraries, foley recording, layering techniques
- **Foley**- Recording and syncing sound to visual media
- **Audio Mixing:** Fundamental mixing techniques including EQ, compression, panning, effects
