## PROFILE

Passionate about user-centered, meaningful solutions

Second year student at Republic Polytechnic

I combine my love for art and bold visuals with digital and product design.

## ACTIVITIES

**Team Lead, Lead Designer | May 2025 - Nov 2025**

**THE 17th UXD AWARD:**

**USER EXPERIENCE INNOVATION COMPETITION**

Led a team of five in an international competition, planning and executing a way-finding application with combined social AR aspects. Responsible for coordinating project activities for delivery within a deadline of 2 months. Reached the semifinals.

**Co-Founder, Designer | Dec 2023 - Jan 2025**

**WISHTALLE STICKER SHOP**

Managed branding, logistics and marketing on multiple social media platforms (Instagram, Tumblr, Bluesky). Reaching a peak of 1.7M views on content and gaining 1000+ followers under a year.

**Co-Creator | Jan 2025**

**I-DARE ENTREPRENEURIAL CHALLENGE**

Competed against 550+ submissions in rounds pitching ideas for potential startups. Attended workshops for idea refinement and market analysis. Placed among the top 10 finalists to pitch before a panel of judges. Worked in a 2-person team to design a sustainable recyclable marketplace application.
