Member

- Enforced stringent safety management rules to minimize the spread of Covid-19 among students, ensuring a secure and protected school environment
- Modelled a positive example for schoolmates by consistently adhering to protocols to curb the spread of Covid-19, such as actively participating in cleaning initiatives
- Regularly monitored and maintained sanitization stations across school premises, promoting a culture of cleanliness and safety

Testimonials

"Aisyah, what you have shown a genuine gift for storytelling that connects with people's hearts. Your ability to balance humour with cultural sensitivity and entertainment with meaningful messages marks you as someone to watch in the industry. I am particularly moved by how you have captured the essence of our multicultural society in fresh and familiar ways. These qualities, combined with your collaborative spirit and dedication to craft, make you an exceptional candidate for roles in scriptwriting, content development, and media production." – FYP Supervisor, Republic Polytechnic
