PROFILE

NCTJ-trained Sports Journalism MA student at the University of Brighton with experience in newsroom reporting, live event coverage, multimedia production, editorial writing and digital publishing. Skilled in researching stories, producing audience-focused content, and working to tight deadlines across written, video, and social media platforms. Brings an international perspective through academic and professional experience in the UK, United States, Eswatini and Colombia, alongside strong knowledge of European and North American sporting culture. Seeking to contribute reporting, research, and cross-platform storytelling skills within a global sports news environment.

WORK EXPERIENCE

- Sky Sports News
Student Intern

London, UK
April 2026

 - Researched, pitched and wrote digital news stories covering Premier League and international football.
 - Produced live blog updates from Premier League press conferences in a fast-paced newsroom environment.
 - Edited video content for social media and digital publication.
 - Worked to strict deadlines while supporting live production, digital publishing, reporting and editorial teams.
 - Gained exposure to newsroom flows across broadcast, digital and live news operations.
- Overtime Online
Multimedia and Sports Editor, Writer

Brighton, UK
September 2025 - Present

 - Helped coordinate editorial planning and content strategy of University of Brighton's Overtime Online.
 - Reported on Premier League and Women's Super League matches, attending press conferences and conducting mixed-zone interviews.
