Enhance your wellness with an uplifting skin care ritual. The Gemstone Collection features three fan-favorite formulas crafted with gentle yet potent cleansing, exfoliating and replenishing ingredients. Experience a unique moment of tranquility with every application.

Charcoal Exfoliating Gel Cleanser

with Malachite Gemstones

Wash away impurities, balance oil production and reduce the appearance of pores with this exfoliating gel cleanser. This mildly gritty lather gently removes build-up from the skin's surface through manual exfoliation, while charcoal absorbs impurities and toxins from pores. Antioxidant-rich blue matcha revitalizes while peppermint cools and refreshes the skin.

RECOMMENDED USE:

For oily to normal skin types, this cleanser is perfect for daily use. For more sensitive to dry skin types, opt for a detoxifying cleanse 1-2 times per week.

KEY INGREDIENTS:

Charcoal, Malachite Gemstones, Blue Matcha, Peppermint, Tagua Powder

RETAIL: 150 ml / 5 fl oz

PRO: 150 ml / 5 fl oz

Turmeric Energizing Treatment

with Citrine Gemstones

Think of this treatment as a 3-in-1 flash facial — a stimulant, an exfoliant and a masque. This supercharged powder-to-mousse formula instantly warms the skin as zeolite draws out impurities. A touch of spicy paprika amplifies the heat as it invigorates the skin without the associated redness. As the treatment dries, kaolin clay purifies and repairs while turmeric brightens and calms the visible signs of irritation. When removing, buff the treatment into the skin to slough away impurities and reveal irresistibly soft, luminous, energized skin.

RECOMMENDED USE: Add a small amount of water, tonique or essence and mix to achieve a fluffy, mousse-like texture. Apply to the skin for 10-30 minutes, 1-2 times per week.

KEY INGREDIENTS:

Turmeric, Citrine Gemstones, Paprika, Zeolite, Kaolin Clay

RETAIL: 60 g / 2 oz

PRO: 140 g / 5 oz

Camellia Glow Solid Face Oil

with Pink Tourmaline Gemstones

Prepare to be uplifted as this solid face oil melts into cleansed skin and absorbs deeply to impart incredibly nourishing benefits. Brimming with luxurious botanical oils — camellia, hemp seed and marula — this dreamy blend replenishes the skin with vitamins, essential fatty acids and protective antioxidants. Apply to enhance the skin's ability to retain moisture and reveal glowing, supple and rejuvenated skin.

RECOMMENDED USE: Perfect for normal to dry skin types, this solid oil fits seamlessly into any skin care ritual in place of a traditional face oil.

KEY INGREDIENTS:

Camellia Oil, Pink Tourmaline Gemstones, Marula Oil, Hemp Seed Oil

RETAIL: 30 ml / 1 fl oz

PRO: 30 ml / 1 fl oz
