Keys, Phone... Sun Defense Minerals

Before you dash, make sure you stash this go-everywhere, all-mineral powder sunscreen that effortlessly protects and perfects. Whether on the beach or in the boardroom, the reformulated Sun Defense Minerals has you covered with broad-spectrum UVA, UVB rays and blue light protection — plus, this portable applicator makes it easy to reapply throughout the day, wherever life takes you.

REDISCOVER Effortless Protection

Treat your skin to the **feather-light, mattifying** Sun Defense Minerals! Sweep on to achieve your ideal **finish** with buildable coverage in six shades with a nearly invisible look. This formula is enriched with botanical vitamins and antioxidants from **green tea extract and buriti oil** to keep your skin hydrated. This innovative flow-through brush makes **on-the-go reapplication** effortless, so you can step out with confidence, knowing your skin is protected, nourished and radiant.
