WORK EXPERIENCE

Video Editor & Content Creator

Mount Zion Faith Ministries | January 2024 – Present

- Produced and edited ministry films, training materials, and creative video projects, contributing to content growth across media platforms.
- Managed full video post-production: color correction, motion graphics, transitions, audio balancing, and visual effects.
- Collaborated with creative teams to develop storytelling concepts, ensuring consistent narrative quality.
- Trained junior editors and volunteers on software, workflows, and creative processes, fostering a growing production team.

Graphic Designer & Content Creator (Freelance)

JoyWorth Properties | 2024 – Present

- Designed marketing graphics, brand assets, flyers, real estate promotional materials, and social media content.
- Edited and produced corporate video content for company promotions and client presentations.

Remote Video Editor / Content Creator

New Creation Mother (USA) | September 2023 – July 2024

- Delivered professionally edited video content for brand coaching and online courses.
- Managed entire post-production workflow remotely, receiving raw footage, editing, adding graphics, subtitles, transitions, and preparing final deliverables.
- Maintained strict deadlines with high client satisfaction across US-based operations.

State Coordinator / Video Editor

Invisible One Theatre | January 2023 – December 2023

- Directed stage plays and school outreach drama productions, combining live performances with digital content creation.
- Coordinated casting, scriptwriting, rehearsals, location scouting, filming, and post-production delivery.
- Led a production team to deliver video content that expanded audience engagement and visibility.
- Created short skits, promotional clips, and mini documentaries for public distribution.

Studio Manager / Editor

E:24 Media | May 2022 – July 2022

- Managed video production schedules, equipment, team assignments, and client deliverables.
- Supervised editors, coordinated studio shoots, and ensured consistent content quality.
- Developed optimized post-production workflows, reducing turnaround time and increasing productivity.

Production Supervisor (NYSC Posting)

Ministry of Works and Infrastructural Development, Niger State | December 2021 – October 2022

- Supervised IT students on technical projects; provided training, mentorship, and project management support.
- Assisted departmental teams in ensuring successful project completion and reporting accuracy.

Drama Director

NCCF Niger State | February 2022 – July 2022

- Organized drama conferences, statewide performances, and training retreats.
- Directed large-scale performances and led volunteer teams in drama ministry productions.
- Managed stage logistics, script development, and training workshops.
