

Welcome to the Ultimate Season

Make plans now to be part of the 2020/21 Season, Carlos Kalmar's 18th and final year as our music director.

We celebrate his many accomplishments with a wealth of programs that showcase diverse voices and the dynamism of your Oregon Symphony. You'll enjoy perennial favorites like **Orff's *Carmina Burana*** and **Dvořák's "New World" Symphony**, along with classic films in concert and entertaining pops shows. This new season, we offer you more commissions, composers, and guest artists than ever before.

Subscribers make all of this great music possible. Be there for this entire Ultimate Season – from Opening Weekend to the historic finale, when Carlos conducts Mahler 9.

I look forward to seeing you in the hall.

Sincerely,

Scott Showalter
