

*Let's pour out another.
Be off with our lovers.
C'mon! Adventure awaits.*

We're anything but the twangy, back-of-the-pickup-truck cliché. We're AVA Grace Vineyards: A new age country hit taking influences from pop, rock, and hip-hop—just like our unique blend of winemaking styles.

The diverse terroir of our grapes create space for flavor variations in each varietal, mirroring the array of fans belonging to this beloved genre of music.

You see, we have no problem with experimentation. “Learn by doing” is our motto. Each sip is a verse of new beginnings. Every cheers contains a chorus of memories. The hook? Well, you'll have to take a listen ...

Ohhh, there's no time to waste. Live your best life with AVA Grace.
