

While at Hallmark, I was chosen to create my own card collection, titled “ATY.”

The six-card collection featured my distinct voice in the copy, as well as my name and image on the signage and cards themselves.

Liked by slamwich, tobe_reed and 94 others
getstudioink That's really saying something!
Hallmark writer/super funny mom Amy, is behind this amazing collection of cards. Check them all out online and in stores!

**WHEN IT
COMES TO
THINGS I
COULDN'T LIVE
WITHOUT, YOU
ARE RIGHT UP
THERE WITH
DRY SHAMPOO.**
