

The Future Call

Conversations on Florida's Early Learning Future

Every other Tuesday
at noon ET

Join us for our next Future Call on Tuesday, August 12 at noon.

On our next Future Call, we'll hear from Marie O'Brien with The Learning Alliance and Shannon McGuire Bowman from Childcare Resources. They'll share how the Moonshot Community Action Network (MCAN) is teaming up with leaders across the community to boost kindergarten readiness and early literacy in Indian River County. Additionally, they'll discuss what is working well and share some exciting recent wins.

The Future Call is a community call for Floridians interested in supporting our youngest learners and the adults who help them thrive. We gather every other week to share successes and best practices aligned to the recommendations in Florida's Early Learning Roadmap, and to collaborate for continued progress.
