

Dear Heidi,

If you've been following Florida's legislative session this year, you know it was scheduled to end last Friday, May 2. Instead, with no agreement on the state budget, Senators and Representatives will return to Tallahassee next Monday, May 12, and officially close the session by Friday, June 6.

During this break week for the Legislature, we are pleased to share a lighter take on Tallahassee: the video archive of our inaugural [KidCast at the Capitol](#) is now live! You can watch a series of 3-5 minute conversations between state leaders and our ace interviewers—six and 7-year-old students from Brownsville Prep in Tallahassee.

It was truly a joy producing the first-ever KidCast during this year's Children's Week and we hope you enjoy these as much as we do! We'll soon share more news on bills and budget items—and you can catch the latest updates on our [2025 Legislative Session page](#).

Thank you!

Madeleine
