

Solomon's Porch

History and Discussion

I published Solomon's Porch in 2012. At that time, I was reentering the world and had no money for promotion. Despite this limitation, Solomon's Porch became an Amazon Bestseller (as evidenced below).

In 2023 I rewrote much of the book, but it has not yet been republished. My excerpt is from the rewritten version of Porch.

By the time I unpublished Solomon's Porch in 2015, it had earned over 400 reviews and 4.5-star plus rating.

Porch is a powerful story of Jesus Christ conveying a message to humanity through very unlikely servants. I love this book as originally written, but I can see the value in updating it for 2026.

I have also drafted a screenplay for Porch. A Porch film is a Marvel comic type superhero story with Christian characters.
