profile

Dedicated and passionate third-year Journalism and Media student graduating from Kingston University in 2026. Worked as News and Features Editor, multimedia journalist, and reporter on the river newspaper. Has proficiency using Canva, adobe software, Microsoft software and is an aspiring radio/tv presenter and a feature writer for a magazine.

Experience

The River Newspaper – Kingston University – September 2025 – March 2026

Multimedia Journalist

- Completed 4 social media stories
- Completed 2 vox pops
- All on various topics
- Had the most published social media stories in my class

Reporter

- Wrote 7 stories for The River Newspaper
- Wrote 2 extra stories for online
- Had at least one story in every issue
- Laid out a page on InDesign for each of the 1st 3 newspaper issues
- Wrote a mix of news and features
- Assisted with the distribution of papers

News & Features Editor – September – December 2025

- Collaborated with editorial team to decide which stories were going to be in the actual issue
- Helped give people ideas and communicated with editor, deputy editor, and editor-in chief

Samas & Co, Dalston Kingsland — Salesperson - July 2021 – November 2024

- I handle money transfers
- I handle and interact regularly with customers who come to the shop in person and those who contact us virtually.

Steppaz, Bernie Grant Arts Centre— Office Assistant Volunteer - January 2022- July 2022

- Helped with events,
- doing tedious office work such as laminating flyers, handing out flyers,
- laminating posters, and awards, setting up the chairs and the areas for the practices.
