Moab Air Adventure

“If riding in an airplane is flying, then riding in a boat is swimming. If you want to experience the element, then get out of the vehicle.” –Anonymous
Normal is boring.

Experience the extraordinary at Moab Air Adventures with Skydive Moab, Utah’s most referred skydiving center and Moab’s original drop zone! Celebrating its 10th year in business with over 30,000 recorded jumps, Skydive Moab is eager to share with you the exhilaration of human flight!

Step one: Harness up with a tandem master. Step two: Enjoy a scenic plane ride to 10,000 feet. Step three: Jump

Hardly the norm... Under canopy, you’ll capture one of the world’s most incredible landscapes like never before! Get a bird’s-eye view (literally) of the La Sal Mountains, the Colorado River, and Arches and Canyonlands National Parks.

And what better way to experience this one-of-a-kind adventure than with a one-of-a-kind business?

In 2010, Skydive Moab was hailed by Blue Skies Magazine as the Best Cessna Drop Zone in the country. And the DZ continues to uphold its awesome reputation, using only the most advanced equipment on the market, including United Parachute Technologies Sigma rigs and Automatic Activation Devices (AADs).

Furthermore, Skydive Moab now offers the United States Parachute Association’s (USPA) Advanced Freefall Program (AFP),

skydivers the chance to obtain their “A” license.

So whether you’re planning your first tandem jump or honing your skills as an

experienced skydiver, choose Moab Air Adventures, where Skydive Moab is now defying gravity alongside Moab B.A.S.E Adventures, Redtail Aviation, and Canyonlands Ballooning.

For more information, call 435-260-0494 or stop by Moab Air Adventures’ new office, located at the corner of South Main and East 300 South (downstairs from Verizon and Moab Realty).

Boogie boogie!

Mark your calendars, jumpers. Skydive Moab is celebrating its 10-year anniversary with its biggest boogie yet! From September 25 - 29, over 300 skydivers from around the world are expected to attend Skydive

Moab’s 10th annual Mother of All Boogies (M.O.A.B.)!

Both tandem students and experienced jumpers are invited to take part in the exhilarating rides, stellar views, and nightly activities. This year, Skydive Moab is bringing in at least two twin-turbine airplanes, allowing participants to jump from 17,500 feet MSL. That’s 60 seconds of free-fall at 120 MPH!

Make a tandem skydive at the Boogie for only \$235 (\$200 if you’ve jumped with Skydive Moab before)! Registration for skilled jumpers is \$45 for all five days of fun, or \$15 for a one-day pass (plus the cost of jump tickets).

Stay tuned for more on this year’s nightly festivities and accommodations, vendors, and offsite jump locations. At last year’s Boogie, experienced skydivers took full advantage of jumping into Moab’s more remote areas, including Caveman Ranch, Mineral Bottom, and Castle Valley.

For more details or to register for M.O.A.B., visit www.skydivemoab.com or call 435-259-JUMP (5867). Hosting a local event this year?

Enhance your upcoming event by hiring the experts at Skydive Moab to kick things off with a demonstration jump! For \$500 (covers the cost of insurance, staff, and airplane fuel), Skydive Moab’s professional skydivers are sure to give your event participants and spectators an exciting show! Call 435-259-JUMP (5867) for more information.
