EXPERIENCE

Salem State University – Mary G. Walsh Writing Center

Salem, MA

Peer Tutoring (Writing – College Level)

October 2025 - Present

- Provided one-on-one writing support to undergraduate students across disciplines, with an emphasis on English and writing-intensive coursework.
- Guided students through all stages of the writing process, from brainstorming and research to revision and final edits.
- Delivered reader-focused feedback to improve clarity, structure, argumentation, and academic voice.
- Encouraged independent skill-building through coaching rather than direct editing.
- Tailored tutoring approaches to diverse learning styles, subject matter, and time constraints.
