Brent Bright
Advisor, Tax

Harvest roots run deep — my wife's family has raised wheat near St. John, WA for five generations.

Pictured: Patty's daughter on the back of the feed truck.

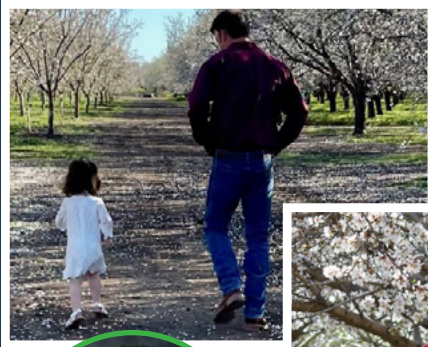

Pictured: Patty's husband in the corral.

Patty Nelson
Advisor, Tax

On Nelson Spring Creek Ranch in Montana, our Black Angus herd and irrigated hay keep four generations — and the next one coming —rooted to the land.

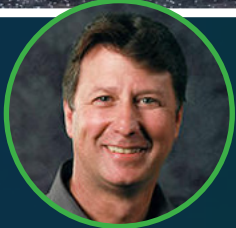

Pinion advisors are rooted in the soil and guided by insight. We've walked in your boots, and share a passion for protecting farmland, livelihoods, and legacies.
