

Urgent Care

Immediate care when you need it

When you have a non-life-threatening urgent issue, new symptoms, or need to talk to a healthcare provider immediately, visit one of our contracted urgent care locations near you.

Need Assistance?

Scan the QR Code or visit bit.ly/LakesideUC to find an urgent

care center in our network located near you.

Contact Customer Service at (866) 654-3471, Mon - Fri, 8:00 a.m. - 5:00 p.m. (TDD/TTY dial 711) for more information on nearby centers.

Hmm... Should I go to the **urgent care**?

My doctor's office is closed, but urgent care has **walk ins available** with **convenient hours**, including weekend and holidays.

No appointment is needed and it's **faster** with a **lower co-pay** than the ER.

They handle many **health concerns**, and several have **on-site labs** and **imaging services**.
