

Item Descriptions: 5 Items, 3 Genres, 3 Audiences

Item	Cozy Farm Sim (Kids)	Sci-Fi Action Adventure (Teen)	Soulslike (Mature)
Journal	<p><i>Plans with friends, keeping photos, and setting up a time to study (even when you don't want to).</i></p> <p>View and save your game progress here.</p>	<p><i>"Ever since I've gotten the microchip update, I feel as if my memories have been fading... I don't trust the company e-tablets anymore. Back to the old fashioned way."</i></p> <p>Save your game here.</p>	<p><i>A leather-bound journal, singed black at the edges and filled with arcane knowledge. It radiates baleful energy, causing an uncomfortable tingling in your fingertips.</i></p> <p>Gain 200XP</p>
Treasure	<p><i>A blue butterfly shaped pin that matches the ones on Samarah's dress. It reminds you of Samarah's cool demeanor, which seems to only melt when you come into her bookstore.</i></p> <p>You can place this keepsake on your shelf.</p>	<p><i>A gold micro-disk the size of your palm. Someone's always looking to buy information.</i></p> <p>Sells for 300CP (Credit Points)</p>	<p><i>"A blood red stone owned by High Priest of Valdor, Ruskim. His loyalty to the king was so strong that upon his death the gemstone seeped into his chest and pulsed with power that kept him alive for centuries."</i></p> <p>1 Revival after death</p>
Tool(s)	<p>Basic Trowel</p> <p>Uses: 35 Cannot remove stones</p>	<p>Droid Deviant Detection Device</p> <p>Handheld tool to scan for abnormal behavior in the magnetic fields of worker droids.
