PROFILE

English and journalism student at UCF with a passion for telling people's stories and creating lively writing. Through hard work and drive, she has experience in multiple different fronts including news writing, creative analysis, customer service, and entrepreneurship.

EXPERIENCE

Sanford Herald Editorial Internship | January 2026-Present

- Research and write articles pertaining to Seminole County and Casselberry City, such as city commissions and feature stories
- Write assigned and pitched stories that are locally based, telling the stories of a diverse population
- Create questions and conduct interviews in-person and over the phone of business owners, scholarship recipients, and community workers

Her Campus UCF Chapter Editor (Prev. Staff Editor/Writer) | August 2025-Present

- Edit 3-8 stories over the course of 36 hours submitted by staff writers that pertain to multiple different beats
- Provide feedback to writers in accordance with their work, correcting mistakes and affirming correct writing practice
- Efficiently abide by the Her Campus style guide to ensure quality work gets published online

Undergraduate Writing Consultant | August 2025-Present

- Collaborate with writers across varying disciplines to provide insight into multiple kinds of projects
- Conduct a research project with the Newsletter Committee, gathering evidence on Big 12 Universities with writing center-specific public-facing media
- Cover and photograph events, such as UCF's semesterly Knight's Write showcase, to include in the University Writing Center's semesterly newsletter, entitled "Just Write!"

Queenie Clips LLC Owner | August 2025-Present

- Swiftly make connections with other business owners and market clients
- Crafted merchandise displays to accommodate presentation and sales
- Design handmade timeless hair accessories that gear toward the public while affirming trends and creativity
- Create products, manage business social media, and book markets in the Central Florida area to begin creating revenue
