EDUCATION

The University of Tennessee Chattanooga | BA Major in Communication & Minor in Environmental Studies

May 2026 | 6x Dean's List Recipient

Chattanooga, TN

January 2022 - May 2026

EXPERIENCE

The Creative Discovery Museum

March 2025 - Present

Maintenance Tech 1 | Chattanooga, TN

- Building maintenance: Monitoring and maintaining environmental factors such as temperature, humidity, lighting levels, and ancillary services. Creating a safe and comfortable environment for all that reside in the building.
- Creating and repairing museum exhibit props, for thematic fundraising events like Amuseum and Drink and Discover, as well as setting up and tearing down temporary exhibits.
- Security systems: Maintenance of security systems, including alarms, cameras, and access control systems to protect both the artworks and the visitors and staff.
- Space management: Setting up and breaking down the furniture and selected electronic systems for public and private events such as weddings, parties, or other museum related events.
- Coordinating with other departments to ensure that logistical needs are met.

WUTC Radio Station

July 2025 - Present

Student Broadcast Assistant | Chattanooga, TN

- Writing, producing, and recording voicebreaks, underwritings, and promotions to air daily. As well as pitching, writing, producing, and recording my own weekly radio show (The Soundpainter) for an NPR affiliate station.
- Conducting, recording, and producing audio interviews with professional musicians both local and national.
- Coordinated press relations between a National Public Radio affiliate and Professional Musicians and Public Relations for an International Music Festival. Acted as the liaison/point of contact between WUTC and Bluegrass Musicians featured in the World of Bluegrass Festival, hosted by the International Bluegrass Music Association

Rising Rock

August 2024 - Present

Student Journalist | Chattanooga, TN

- Multimedia journalism, writing budgets, pitching stories, and creating full stories in a team covering a single topic. Conducting and participating in team meetings and editing sessions to create an accurate and truthful story.
- Reaching out to industry professionals as well as founders of international nongovernmental organizations. Conducting and recording interviews with them across different mediums. (Mayor Tim Kelly, Gail Loveland-Barille, Daniel Raven-Ellison)
