I am a UEFA Licensed Coach with extensive experience across elite academy, first team, and international environments within Scottish football through roles at Motherwell FC Women, Rangers FC and the Scottish Football Association (SFA).

I have established a proven track record of designing and implementing game models, delivering high-quality training sessions, and supporting player progression from youth to senior football. I possess strong expertise in performance analysis, opposition scouting, and recruitment through advanced tools including Wyscout and Hudl.

In my coaching career, I have demonstrated a player-centred coaching philosophy that is underpinned by modern tactical principles and long-term development planning and have achieved consistent success in developing players for professional and international pathways.

## EDUCATION & PROFESSIONAL QUALIFICATIONS

- **Edinburgh Napier University: BSc Football Coaching, Performance & Development (Pending Completion)**  
Course affiliated with the SFA  
Modules: Leadership & Management, Performance Analysis, Coaching Psychology, Sport Science
- **New College Lanarkshire: HND Sport Coaching & Development (Grade A, Attained 2023)**

"I have known David in my role as Course Leader for the Scottish FA on the Football Coaching, Performance & Development programme at Edinburgh Napier University. He has consistently demonstrated himself to be an outstanding student and a clear leader within his cohort. The quality of his work across all course modules has been of the highest standard, reflecting his academic ability and his professionalism. His understanding of the game is excellent and clearly informed by his experience as a professional player. This insight has translated into his coaching practice, where he has consistently shown a high level of competence, clarity, and effectiveness." - **Ian Donnelly: Coach Education & Development Manager, Scottish FA**

## COACHING EXPERIENCE

Motherwell FC Women
