2024 Strategic Priorities

While the work we do at Select Health contributes to our ability to achieve our shared mission and vision with Intermountain Health, [our strategic priorities provide guidance](#). They give us clear direction as we use defined initiatives and projects. This is exciting and challenging work as we lay out a road map for the next five years.

These priorities were shared in the [December 2023 town hall](#)—and we'll continue to share them both in our town halls and in *Selections*. Please take a moment to review them as we take this journey together.

Exciting updates at our Green Street campus

Recently we've shared construction updates for our facilities, and we'd like to give an update on our main campus. In the Valley Center Tower (VCT), there are [new rooms for team building](#)—including a new auditorium, which includes a Ping-Pong table and a Nintendo Switch. Plus, we're adding new paint and wall graphics, as well as larger training rooms and new spaces.
