

## Program Structure

*The program combines formal governance education with community-based leadership development through:*

- ✓ Chartered Director learning modules
- ✓ Cohort-based engagement and discussions
- ✓ Mentorship and networking opportunities
- ✓ Support toward board readiness and placement

## Why Boardroom Bound?

Boardroom Bound aims to increase the representation of Black professionals in governance and decision-making spaces, empowering participants to contribute their leadership, expertise, and lived experiences to boards and organizations across sectors.
