## Multimedia Journalist, Writer & Producer

📍 Los Angeles Metropolitan Area

### FREELANCE EXPERIENCE

---

#### Broadcast/Digital Content Producer

##### CNN / CNN.com

📅 2014 - Present 📍 Los Angeles, United States

- Write, produce, and voice entertainment news segments — including the long-running "Hollywood Minute" series — covering major film and streaming releases, festival coverage and celebrity news, distributed via CNN Newsroom to 1,200 news affiliates worldwide, CNN.com, and CNN's TikTok channel (15M+ followers)
- Write and produce high-production-value obituary and tribute pieces on notable public figures — spanning entertainment, sports, politics, and beyond — combining archival footage, interviews, and narrative writing
- Wrote anchor copy for international news programming, including CNN Newsroom and Quest Means Business, demonstrating range across hard news and feature formats
- Manage end-to-end production — research, scripting, and directing shoot and edit crews — while collaborating with on-air talent to deliver polished content across TV and digital platforms

---

#### Field Producer

##### ESRI & Global Business Travel Association Conventions

📅 2022 📍 San Diego, CA

- Produced on-site field content for ESRI's user conference and the Global Business Travel Association's annual convention, covering multi-day programming for corporate and attendee audiences
- Managed field shoots and interviews under live-event conditions, delivering same-day and next-day content for corporate clients outside the entertainment and news space

---

#### Digital Writer

##### CBS Los Angeles (KCBS/KCAL)

📅 2019 - 2020 📍 Studio City, CA

- Wrote and produced fast-turnaround digital news content for CBS Los Angeles's local platforms, covering regional stories with an emphasis on audience-driven engagement
- Shared and promoted published articles across CBS Los Angeles's social media channels, driving audience engagement and discussion beyond the initial publish
- Delivered accurate, timely digital copy under daily deadline pressure across a high-volume local newsroom

---

#### Writer & Producer

##### NFL Network

📅 2015 - 2020 📍 Culver City, CA

- Produced and contributed to sports content and narrative features supporting national NFL programming
- Wrote on-air teases and segment "bumps" for NFL GameDay Morning, the network's flagship studio show, crafting short-form copy designed to sustain audience attention through commercial breaks
- Wrote show opens, news updates, interview questions, and promos for "Around the NFL" and "NFL HQ," the network's news and analysis programs

### Broadcast/Digital Content Producer (Staff)

[CNN / CNN.com](#)

📅 2000 - 2013    📍 Los Angeles, CA

#### Company Description

- Conceived, pitched, wrote, researched, and produced digital and broadcast entertainment pieces on movies, TV shows, video games, home entertainment releases, award shows, festivals, box office recaps, and top musical acts, working directly with high-profile on-camera talent on breaking entertainment news.
- Red carpet producer and interviewer at film premieres, launch parties, award shows, press junkets, and film festivals, including interviews with A-list talent such as Tom Cruise, Beyoncé, and Tom Hanks.
- Wrote entertainment articles and blog entries for CNN.com's entertainment page and its "Marquee" blog.
- Produced, voiced, and oversaw production of "Hollywood Express," a half-hour entertainment news show CNN produced for international markets including Japan and China.
- Co-managed "Showbiz Now," CNN's entertainment affiliate news service — held editorial control and coordinated on-air talent, camera crews, editors, studio personnel, and producers across shoots and edits, including script oversight and copy editing.
