- ▶ Formulas that work while you live your busy lifestyle
- ▶ Effective on all ethnicities skin types
- ▶ Ingredients that restore the skin's natural integrity

What You Put on Your Skin Matters

From creams to dirty air and environmental toxins, what is absorbed through the skin is transported throughout the body.

Our mission is to provide organic and natural alternatives to synthetic chemical and environmental irritants because we believe that the skin is a gateway to wellbeing.

Our Products

Nighttime Detox Cleansing Deodorant cleanses and deodorizes while you sleep and our **Daytime Deodorants** provide effective all day protection. **Supreme Solution™ Intensive Body Moisturizers** are luxuriant blends of opulent, skin beneficial oils formulated to replenish and rejuvenate the skin. Top off your cleansing with whole fresh **Nubian Goat's Milk** bar soaps.

Versatile push-up stick delivery systems: **Stick Moisturizers** made with organic herbs and essential oils – super for traveling. **Respiratory Freedom™** helps to relax breathing and relieve tightening of the chest. **Smart Salve™** for stressed muscles and sport flexibility.
