1. FADE IN:

2. INT. HOME - AFTERNOON

Mathew is in bed when he gets a message on his phone.

(MESSAGE)

Hey, excited for our date, can't
wait to meet you, see you there.

Mathew gets up to leave. He goes downstairs, and opens the door.

3. EXT. HOME - AFTERNOON

Mathew hears thunder. He looks up, the sky suddenly overcast,
it starts raining

He looks on the road when he sees what seems to be water from
a puddle coming to life.

The water entity takes out a phone, and sends a message.

Mathew gets the message on his phone.

(MESSAGE)

Rain expected to fall all evening.

Mathew looks at the entity, reaches inside for his umbrella,
opens it, and walks outside.

The water entity looks shocked, it then issues a hand gesture
to charge, the rain falls heavier.

Mathew uses the umbrella as a shield.

It gets windy

Mathew presses forward.

The water entity blows a horn out of nowhere, and the wind
starts hurling branches at Mathew.

The umbrella starts to fall apart.

Finally Mathew reaches his car, and gets in.

The rain stops.
