Nausea as a side effect?

curls up in the couch and watching tv, remote in hand

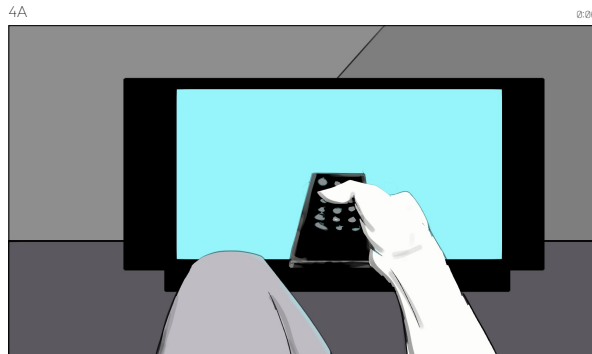

Nope! school work is enough for one day.

changed to exercise channel

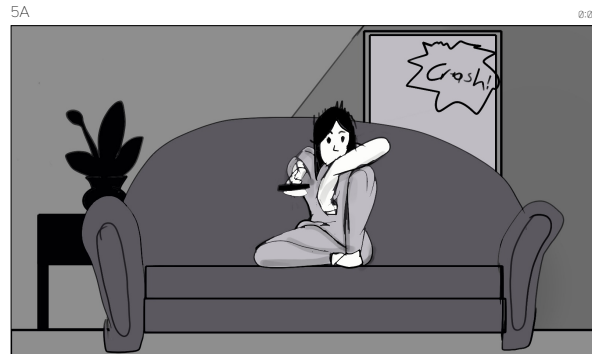

Ugh, Cartoon art styles are just awful these days.

changed channel to Cartoons

Ahh yes, the boring people

changed to History channel

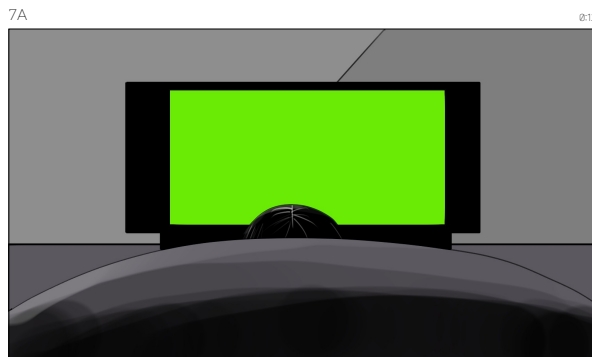

why is TV so boring?

*about to change channel
six plate breaking.*

Mom?!

looks over couch

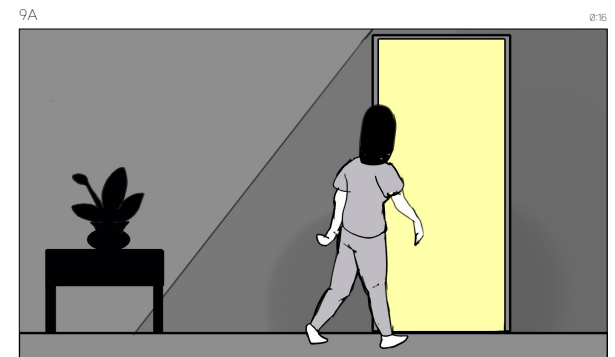

mom? are you making dinner now?

changes to cooking channel

turns off TV

Walks to kitchen

SCENE-2-INT-KITCHEN-EVENING

So?.. Need help?

leans on door frame

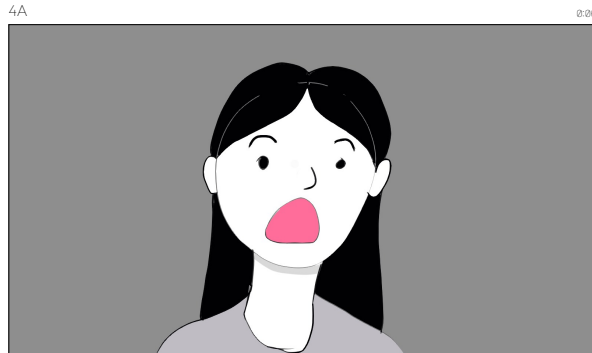

Hanna, I love you, but you can't cook.
But I can learn.

walks over to cutting board

Not what your last report card said.

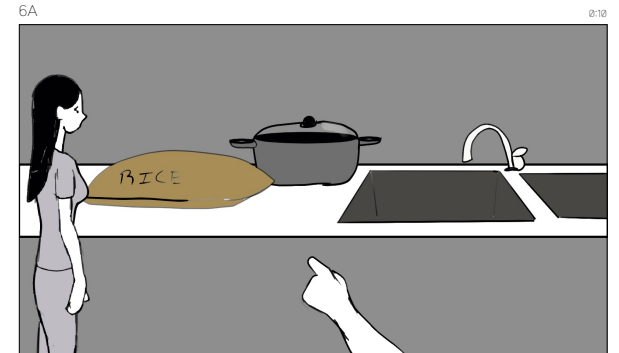

Looks at Hanna

Oh come on, that's different. I can't believe my own mother doesn't want to spend time with me.

Great! so what are we making?

Just go wash the rice.

points to rice on counter
