Programming

This is a suburban rec room, a walk-out basement that you might find in south Johnson County, Kansas. The family of six includes four grade-school age to teenaged children who have busy schedules. The homeowners want to develop a space where their kids can hang out with each other and their friends, and the parents want to entertain their own adult friends.

Scope of Work:

Powder Room with Toilet and Sink

Music Area with Piano

Wet Bar: Wine Cooler, Refrigerator, Storage, Pull-Out Microwave, Sink

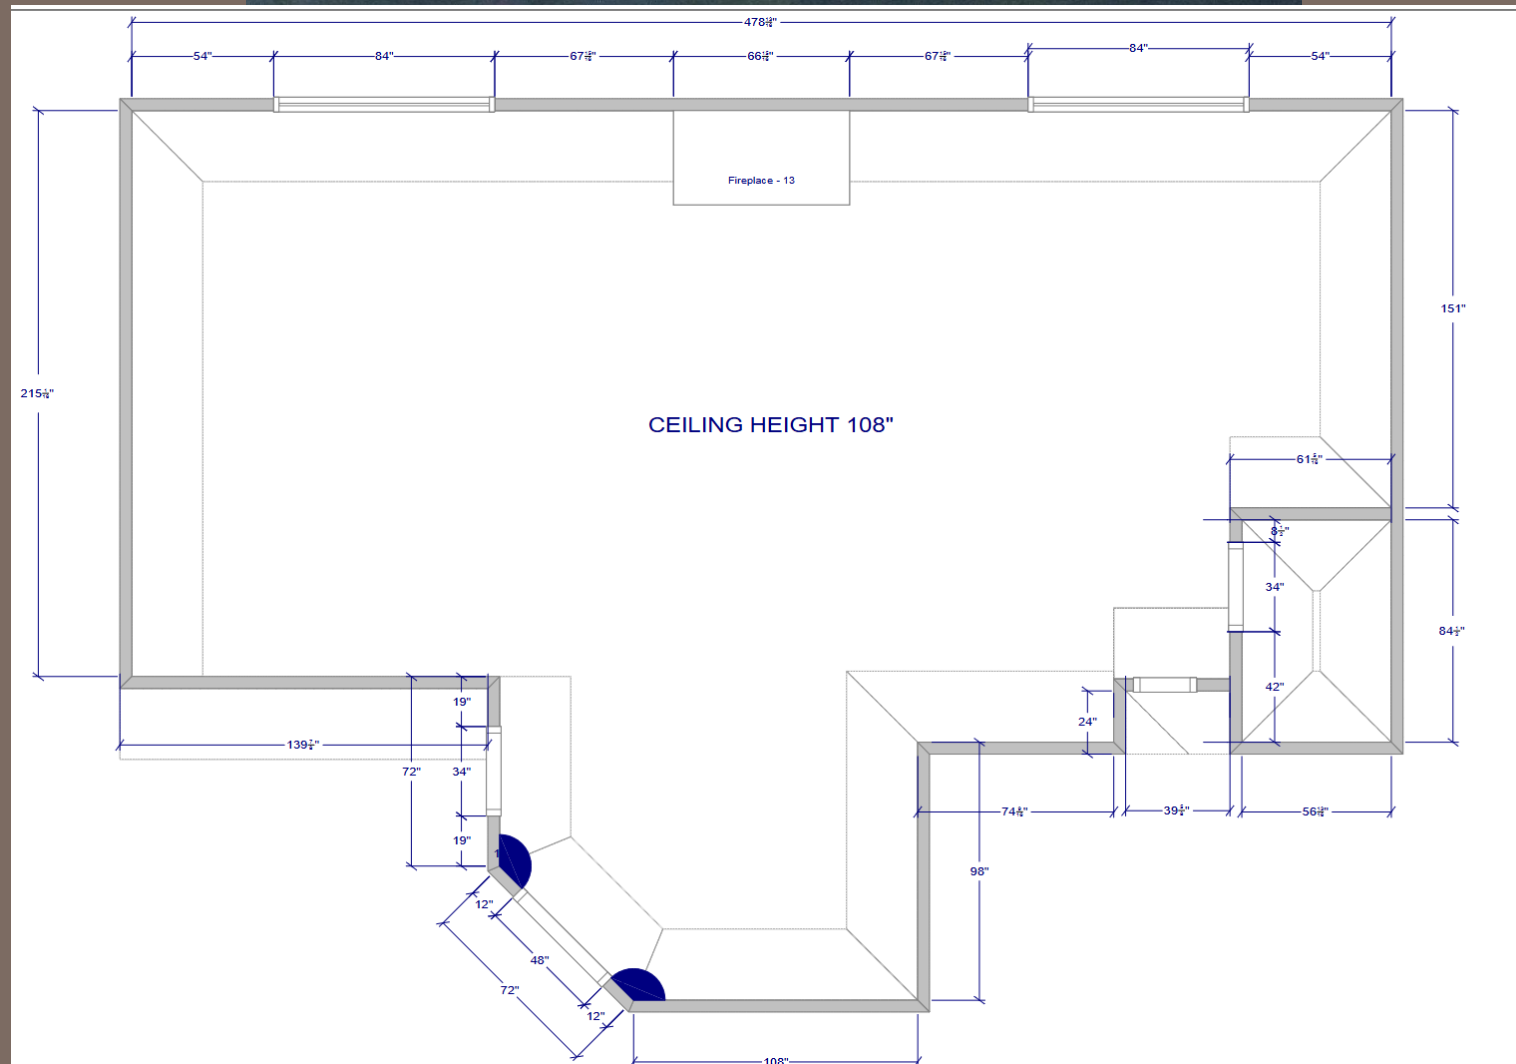

Conversation Area with Fireplace & Big Screen TV

Gaming Area with Pool & Poker Tables
