PROFILE

I am a Year 2 Design student at Republic Polytechnic with an interest in UX design, digital media, and creative problem-solving. I enjoy creating user-friendly designs and learning new skills through projects and teamwork. I am also hardworking, responsible, and able to adapt well in fast-paced environments.

WORK EXPERIENCE

ISS Facility Services Pte Ltd – Housekeeping Officer (Part-Time)

Changi Airport Terminal 3 | June 2025 – May 2026

- Maintained cleanliness and hygiene standards in airport areas
- Worked independently during night shifts in a fast-paced environment
- Improved teamwork, communication, and responsibility skills

SATS Ltd – Baggage Claiming Service Crew (Seasonal)

Changi Airport | May 2026 - Present

- Assisted passengers at baggage claim areas when needed
- Supported smooth baggage handling and airport operations
- Developed customer service and problem-solving skills

Ramadan Festival Event Crew / Community Volunteer (One Month)

- Assisted with cookie baking
- Helped maintain cleanliness and organise activity areas
- Worked closely with team members to ensure smooth operations
