

The Delegata Way

Delegata is unique. Delegata is visionary. Selected as one of the top 50 fastest growing companies in Sacramento, the Delegata name is synonymous with integrity, unsurpassed professionalism and quality of service within the technology industry.

Headquartered in Downtown Sacramento, Delegata is a premier consulting and systems integration firm specializing in eBusiness Solutions, superior Project Management, Application Development, Enterprise Architecture, Technology Migration and Planning and Analysis.

Company CEO and President Kais Menoufy, has an impressive history of establishing and expanding successful information management businesses in both domestic and international markets. After many years of managing technology firms, Menoufy formed Delegata in 2000 as an organization that would deliver what it promised with a high level of quality, on time and

on budget for every project.

Delegata understands that in order to thrive in the world of eBusiness, organizations need strategies that cultivate their vision and enable them to communicate more effectively with their customers and stakeholders. By utilizing Diamond, the company's unique configurable methodology, Delegata develops and delivers customized technology solutions that help clients achieve their goals. In addition, Delegata's "Think Big, Start Small" approach, helps clients see the big picture while taking strategic steps to get them where they want to be with their business processes and results.

More than a technology solutions leader, Delegata is committed to partnering with its clients, employees and the community. Working with youth and participating in various cultural and philanthropic events, Delegata leads the way in fostering understanding, tolerance and unity.

By holding to its core values,

Delegata has carved out an enviable niche in the marketplace, serving a variety of government agencies including the DMV, Legislative Data Center, the Department of Justice, CalPERS, the Department of Health Services, the California State Controller's Office and the Department of Alcohol & Drug Programs.

Delegata continues to raise the bar of excellence by seeking the best in the market when it comes to hiring employees. "We recognize that for us to be successful, we must have the best team," explains Menoufy. "We set very high standards and our clients tell us they are now used to 'The Delegata Way.' While our staff is trained according to Diamond and Delegata standards, you can't teach integrity and quality. It has to come from within. Clients know that is what they're getting when they hire Delegata."
