

MARIL™

FRAGRANCE

MARIL™

MARIL™ is inspired by goodness. It comes to life through immersive, engaging and unmatched fragrances that create a good-feeling, room-filling scent experience that calms the soul, evokes favorite memories and refreshes the spirit.

INSPIRED BY GOODNESS

Inspiration often shows up as “eureka moments” that arrive without notice to launch our hearts and minds in brand new directions. With MARIL™ Fragrance, though, the spark that started it all has been with us from the beginning.

To know Marilyn Harre, DEMDACO's Chief Inspiration Ambassador of more than 20 years, is to believe in goodness. Her unique ability to light up every room, connect with others and spread joy all around inspired us to honor her with this collection of vibrant, immersive and unstoppable fragrances that will brighten your day...every day.

EXACTLY HOW FRAGRANCE SHOULD FEEL

From partnerships with internationally renowned fragrance houses and second-to-none, domestic manufacturing – to ethically sourced, sustainably harvested ingredients and environmentally responsible materials – MARIL™ was thoughtfully and intentionally created to deliver a more perfect sensory experience.

MADE TO MAKE A DIFFERENCE

What truly makes MARIL™ unique is the quality and amount of fragrance we use in every product. We work with renowned fragrance houses to source the highest quality components and partner with local communities to create a supply network that gives back.

VETIVER
from Madagascar

Learn more about how the conscious reintroduction of vetiver to Madagascar is providing jobs and a living wage to men and women, while creating a new revenue stream for the community.

Discover how this innovative, new material from Nepal is used in both fragrance and flavor - by focusing on responsible harvesting and partnering directly with farms owned and worked by women.

TIMUR PEPPER
from Nepal

CENTIFOLIA ROSE
from France

Find out how our partners use rose cultivation to promote disability inclusion in the workplace - allowing disabled workers opportunities to gain valuable knowledge, skills and independence.

MARIL™

We invite you to experience MARIL™. A unique and unmatched collection of immersive scents that are sourced from around the globe and infused with as much fragrance as possible to fill every room.

MAKING SCENTS OF IT ALL

Roses from France, citruses from Asia and vetiver from Madagascar – MARIL™ has searched the world over for the most premium ingredients available to craft uniquely immersive and room-filling scents that refresh, invigorate and make your home exactly the place you want it to be.

Stock Up On Seasonal Scents

Nearly half of all candles purchased during the fall and winter are given as gifts. MARIL™ will inspire shoppers looking for gifts that stand out and make perfect picks for teachers, coworkers, party hosts, caregivers and more.
