

# This Social Security "Hack" Takes Just a Few Seconds.... But it Could Easily Change Your Life.

## How One Word Can Add EXTRA Cash to Your Social Security Checks!

### Book Reveals The Secret To Getting The Most Out Of Social Security Benefits PLUS 46 Other Work-Free Ways To Live A Rich Retirement!

Would you willingly let the government take your hard earned money?

Most retirees are shocked to realize how much they give away every year by failing to add this "one thing" to their paperwork.

Did you know that each year, millions of Americans forgo a simple, yet highly effective way that could add up to \$6,480 to their Social Security benefits?

That's like giving the government free money.

And the REAL tragedy is that Social Security accounts for nearly 40% of the average retirees' annual income.

With 10,000 Baby Boomers set to retire every day, that means the government is making out like bandits...

...at the expense of hard-working Americans like you!

Something has to change. And I'm here to help.

My name, by the way, is Zachary Scheidt.

I want to help millions of Americans take control of their financial situation.

Getting your fair share of Social Security can provide real satisfaction and peace of mind. The crazy part is that sometimes it just takes ONE single word to really boost your retirement payments!

But that "trick" is just the tip of the iceberg.

The real game changer is when you are in full control of your financial life.

Which is why I wrote this book.

I started my career at a hedge fund in Atlanta, helping "high net worth" individuals generate income from their multimillion-dollar accounts.

This type of work is VERY lucrative. But helping the rich get richer is not very gratifying.

Frankly, it made me sick.

Instead, I wanted to use my skills to help actual, hardworking people generate income quickly and easily...

So about four years back, I decided to change gears a bit...

I took a position with one of the world's top independent financial research firm in Baltimore, Maryland, helping people generate new income streams.

And I haven't looked back since.

Being able to spend more time with my wife and 7 children is a true blessing.

But that's not the only upside.

What really moves me is hearing about the GREAT ways people can actually use these new income streams.

Paying their mortgages...

Taking beautiful vacations...

Even quitting their jobs for good...

To me, income is simple.

I've been in the business of creating substantial cash flow for so long it's almost

second nature.

But if you're like most people, it's like some foreign language...

It's not your fault.

These income secrets aren't taught in schools.

Secrets like how to:

• **Squeeze as much as an extra \$6,840 per year out of your Social Security benefits...**

• **"UPGRADE" Your Savings Account And Earn 12 Times More Interest— I Can't Believe More Seniors Aren't Using This Simple Trick!**

• **Collect A Rare 7% GOLD Dividend That NOBODY Is Talking About! (It's Paid Like Clockwork For Over 10 Years, Too!)**

• **Make \$35 An Hour Walking On The Beach... Earn Up To \$1,720 In "Backdoor Rental Income"... Go Shopping And NET CASH The Next Time You Go To The Grocery Store... And More!**

The information contained within is not common knowledge.

It's actually been a carefully kept secret for years.

But not anymore...

Because today I'm going to unveil the methods that thousands of people use to generate almost effortless income. (Instantly in many cases.)

Allowing them to get the absolute most out of their lives.

Regardless of their age, ability, or financial status.

In the next few minutes, you'll learn how to get access to 47 income secrets that the wealthy use to build their income and wealth automatically.

All of which YOU can now start using instantly to begin building the kind of income for life that ensures TRUE financial freedom.

So if steady, predictable income (as well as a few nice, quick windfalls) sounds good to you...

And...(more important-ly)...

If it would enable you to stop worrying about outliving your money...

Allowing you to finally enjoy the type of life you've always dreamed of...and deserve...

You've come to the right place.

Because I have a brand-new book that will tell you exactly how to do that.

It's called THE BIG BOOK OF INCOME, and I would like to send you a copy today.
