RULES

- Every time you purchase one of the listed products, our delivery drivers will stamp the corresponding box on your Rad-ingo card. (One stamp per invoice)
- Once you complete a Rad-ingo pattern, (a line with five products in diagonal, horizontal or vertical row) you will win a free shop lunch or gift card of your choice. (\$25 equal or lesser value)
- If you decide to play blackout rules (get every space stamped) you win your choice of a free shop lunch, a gift card of your choice, or shop supplies. New mini fridge anyone? (\$150 equal or lesser value)
- You must choose to redeem your card with either regular Rad-ingo rules OR blackout rules, you can not play both on the same card.
- You can redeem more than one card at a time.
