HBS CEO Andy Blunt Hosts Election 2024 Polling Webinar

It's the final stretch for an election season like no other in modern history. Polls are meticulously tracking shifts in voter sentiment across various demographics, providing a snapshot of potential outcomes and the issues driving voter behavior. So, what do all the poll numbers mean?

With less than two weeks left until Election Day, [HBS CEO Andy Blunt](#) hosted a live HBS Webinar with two national analysts, [Jim Ellis](#) and [Zac McCrary](#), as they share their readout of what the poll numbers mean and what they expect on election night and the days after.
