

### **Psycho Combat Barks**

(In battle) "I'm gonna split you open and roast your guts over an engine fire!"

(In battle) "Meditating didn't help with my anger!"

(In battle) "I'll grind down your bones for my kale smoothies!"

(In battle) "Bow before my epic stench!"

(On death) "Good thing I used my face to catch those bullets."

(On death) "I should have gone to that coding camp."

(On death) "My horoscope was right about today!"

(On death) "Always a side character! Never a main!"

### **Sanctuary NPC Barks**

(Claptrap) "Fun fact! Most Claptrap units only have two fingers. But that's never stopped me with the ladies. High-five! Wait, I can't reach."

(Marcus) "Marcus Munitions. Satisfaction guaranteed. If you know what's good for you."

(Tannis) "Someone suggested I humanize myself with a pet. But the local fauna and I are not on speaking terms."

(Random NPC) "Oh wow, Vault Hunter! You're still alive? Really?"

(Random NPC) "If this Sanctuary thing fails, I'm gonna have to go back to selling toe pics on the echonet."

(Random NPC) "There's something strange going on in Tannis's lab."

(Random NPC) "The water pressure on Sanctuary sucks."

(Random NPC after discovering Tannis is a siren) "I haven't peed in three days because Tannis phaselocked the plumbing system."

(Random NPC after meeting Typhon on Nekrotafeyo) "Is it true Typhon DeLeon smells like sunshine and ham?"

(Random NPC at the end of the game) "Has anyone seen Lilith? She borrowed my cardigan."
