

Eliza DICKMAN

RECORDING ENGINEER

I am Eliza Margeret Dickman, a Year 2 student currently looking for internship opportunities as a recording engineer. I want to be able to help set up a studio for recording and also be able to record the artist

WORK EXPERIENCE

EVENT HELPER@SENTOSA

2025

I learnt how to dish out food to people and also I learnt how to communicate with them especially if they have requirements of the food and if we aren't able to provide that for them we have to know what to tell the customers or even show where to direct them.

ELECTION WHEELCHAIR USHER @ADECCO

2025

I learnt how to work with many new people and also learn how to mix with a lot of elderlies and learn how to communicate so much better especially when they need help getting to the election area

BEAUTY ADVISOR @ BODY SHOP

2024

I learnt a lot by learning how to promote products to the customer and learning how to work in a retail setting and that I learnt how to also stock up products when things were running low and learn what were the different use of the different skincare and makeup there to make it easy when explaining to the customers
