

Dear Clients, Prospective Clients, Friends, & Colleagues:

After more than 40 years as one of the most prominent attorneys in ██████████, and with millions of dollars in verdicts and settlements to his credit, ██████████ is announcing his retirement from private legal practices starting August 1, 2017. As of that date, ██████████ will no longer be an active, full-time attorney at ██████████ Law Group.

Our founder has received many accolades over the years. He has been named in a number of TOP 100 lists for trial lawyers, he is a much-sought-after speaker for legal events, he was voted by his peers as an AV Preeminent Lawyer (the highest achievement possible), and he has been a long-time advocate for the next generation of attorneys via his alma mater: the University of Tennessee. He has even volunteered his time and expertise by serving as the coach for ██████████ High School's Mock Trial Team these past fourteen seasons.

Of his many accomplishments, what ██████████ may be best-remembered for is his love of justice. He's been involved in many legal organizations throughout his career because he genuinely believes they make a tremendous impact on the administration of justice in our society. Such legal organizations empower attorneys to help everyday people take justice back from the corporate world. This has always been extraordinarily important to ██████████.

Although we say goodbye to a dear friend and colleague, the ██████████ Law Group will carry on in his absence, and we will continue providing services to ██████████'s clients, as well as all other current and prospective clients retaining our services. We will even carry on the law group's name to honor ██████████ and all that he's done for the community.

If you currently have a pending case with ██████████, please rest assured that it has been assigned to an experienced, capable attorney and that our firm will still handle your concerns, your questions, and all issues related to your case. We have a staff of incredible people—attorneys and paralegals alike—who care about you and are willing to assist whenever you need us.

“My clients will be in good hands,” ██████████ said when asked about the transition. “I have full confidence in this firm and the attorneys I have mentored.”

We want you to feel as confident as ██████████ feels during this transitional period. Should you have any questions, please do not hesitate to call us at ██████████. Whatever your legal need, even if it's simply a referral you're seeking, please know that ██████████ Law Group is here for you. All clients, friends, and colleagues of ██████████ will be provided with immediate attention.

Thank you from all of us here at ██████████ Law Group. We appreciate your loyalty and look forward to serving you in the future.

Sincerely,

The Legal Team at ██████████ Law Group
