

The Pharaohs

Company Profile

The Egyptian Pharaonic Co. for Touristic Development (The Pharaohs) continues its legacy of setting notable experiences for locals and visitors with its wide range of services.

The Pharaohs originated in the late 1970s, when it kicked off with its major touristic sites in Egypt - Nile Pharaoh and Golden Pharaoh – that both exhibit true Ancient Egyptian stories on the river Nile. Within that decade, 138 Nile Street in Giza has been marked as one of Egypt's landmark for every local and visitor.

Step aboard on one of our boats to treat yourself to a two-hour Pharaonic getaway that exhibit bright glimpses from the lost world of Ancient Egypt.

Nile Pharaoh → Inspired by the sensual lines of the ancient solar barque, the Nile Pharaoh praises Hathor, the Egyptian goddess of joy, celebration, and love. It is a three-deck vessel, including a sun-deck that welcomes up to 220 guests. We take pride in being the first cruising restaurant in Egypt that serves a variety of world foods and drinks, including cocktails.

Golden Pharaoh → Horus, the falcon-headed boat, renowned as the ruler of the world of living, is a two-deck vessel that seats up to 220 guests that enjoy a sense of privacy in our sundeck. It is recognized by its majestic designs that all narrate Pharaonic tales, including its four decorated falcon-heads that bring light to earth and guide the boat to return its guests safe and sound to its kingdom.

KA → For a more intimate experience, KA is Egypt's new authentic felucca that peacefully sails on the sparkling waters of the Nile. Built with a Pharaonic décor and hard wood floors, our felucca sails for two hours, seating up to 20 guests and providing them with a bathroom, life jackets, and sound system. We leave our customers to choose from our high-end menus.

Temple → The temple has never been more enchanting - or beautifully illuminated – with its international lunch and dinner that you will enjoy between our two Pharaoh cruises. Slip your favorite pre-dinner drinks and cocktails in style and elegance at the obelisk bar. The Temple is the venue for your next celebration and cultural event.

Catering Solutions → Ever since we started our Catering Solutions 30 years ago, we firmly believe that our catering's success is our mission. Once you have decided the date for your celebrations, even if it were for a simple dinner, all you will have to do is sit back and relax.
