Celebrating Our Journey, Preparing for What's Ahead

1. Executive Message: A Year of Impact & Purpose

As we wrap up the 2024/25 academic year, it is clear that our journey together continues to be shaped by purpose, progress, and the people who make Artemis Education what it is. This year, we have seen our community grow stronger—students, staff, and families alike—driven by a shared commitment to learning, innovation, and care.

From new faces joining our teams to creative projects and student achievements across our schools, every milestone has been a testament to your dedication. Our campuses have been alive with curiosity, collaboration, and the kind of energy that only comes from a community working together toward something bigger.

Thank you to every member of staff and faculty for your hard work, passion, and belief in what we do. It is your daily efforts that help our students thrive and our schools flourish.

As Eid Al Adha approaches, we wish peace, happiness, and good health to all who are celebrating. May this time bring you moments of rest and joy with your loved ones.

2. Educational Leadership

Looking Ahead with Strength and Experience

The coming academic year brings new expertise and vision to Artemis Education's leadership team. We are pleased to welcome Dave Taylor as Chief Operating Officer, whose proven track record in educational leadership and operational excellence will be invaluable as our schools continue to grow and evolve.

At The Lisbon International School, Inês Pinheiro steps into the role of Business Manager. Her extensive experience in educational development and operations positions her to further enhance our learning environments and support our school community.

Dr. Robert Jackson will assume the role of Head of School at ACS International School Doha beginning August 2025. With over 30 years of international leadership experience, Dr. Robert is dedicated to student wellbeing, innovation, and academic achievement.

Supporting this vision, Mike Elston will join as Middle & High School Principal at ACS Doha, bringing a strong commitment to empowering students and staff alike.

With these accomplished leaders joining our community, Artemis Education is well-positioned to embrace the opportunities and challenges of the year ahead.

3. Artemex

Summer Adventures Await

The Artemex Summer Camp begins on 13th July and will run for five weeks, welcoming children aged 4 to 12. The programme features a variety of creative-themed activities, multi-sports including football and swimming, gymnastics, arts and crafts, and competitions. All sessions are led by qualified specialist coaches, with plenty of prizes and awards to be won along the way.

Adventure Camp at The Lisbon

Students at The Lisbon International School recently enjoyed an action-packed Adventure Camp, diving into urban and coastal activities like quarry exploration, surfing, capoeira, and park challenges. The camp was all about building resilience, teamwork, and creativity—and judging by the smiles and stories, it was a memorable adventure for all who took part.

4. Happenings at Artemis Schools

A Look Back at May Across the Group

At **ACS Doha**, Grade 5 students impressed the community with their PYP Exhibition on “Sharing the Planet”, tackling real-world issues and showcasing creative solutions. The school also celebrated the Class of 2025’s graduation and university acceptances.

The Lisbon brought together families and partners for a Stakeholders Event on 8 May, offering a closer look at the school’s vision and ongoing progress. Also, construction continues to move forward, with anticipation building for the next chapter.

Queen’s Qatar brought learning to life with its first-ever Science Week, featuring hands-on experiments, a visit to a recycling plant, and a lively Science Fair where students presented their own research. The Creative Arts Exhibition followed, transforming the school into a gallery of student artwork, live music, and Shakespeare-inspired performances, showcasing both creativity and confidence. FS2 and Year 6 graduations rounded out a memorable term.

Northview International School was a hub of activity with its Open House and Science Fair, where students proudly presented their projects. The school celebrated the achievements of KG2, Grade 5, and Grade 8 students, marking important transitions in their educational journeys.

5. The Artemis Promise

ACS Doha is now accepting applications for The Artemis Promise Scholarship, open to both new and returning students entering Grades 4–11. This opportunity offers partial tuition awards of 25% and 50% for those who demonstrate academic excellence, leadership, and a commitment to service. The scholarship reflects our ongoing commitment to broadening access and supporting the next generation of global citizens.

6. Looking Ahead

As we look forward to a new academic year, there is a real sense of excitement and possibility across our schools. With new faces joining our teams, fresh opportunities for our students, and the continued support of our dedicated community, Artemis is well-placed for another year of growth and achievement. Thank you for the energy, care, and commitment you bring every day. Together, we are ready to embrace what is next.
