CELEBRATING UNIVERSITY ACCEPTANCES

The IB Diploma Programme offers a globally-recognized pathway to the world's leading universities by developing critical thinking, global-minded, well-rounded learners qualities admissions officers actively seek.

At ACS Doha, we are extremely proud of our Senior Class who have received offers from top universities in the USA, the UK, Canada, Europe, as well as here in Qatar. Congratulations to all of our graduates. We are confident they will live lives of curiosity, courage, and purpose, and are ready to shape the world with the same passion and perseverance that brought them this far.

NEW PARTNERSHIP WITH CODIPLAY

We have partnered with CodiPlay, an award-winning platform that is dedicated to giving children the power to discover their potential through digital education. Its interactive coding lessons, real-world and hands-on projects build computational fluency, foster problem-solving mindsets, and spark collaborative innovation. Together with Artemis Education, ACS Doha is pioneering a future-ready digital curriculum that empowers learners to design, build, and impact the world around them.
