WORK EXPERIENCE

F&B BUSINESS
LAU PA SAT 2023

I helped out my Grandmother's satay business. I helped to serve customers, cashier and the preparation of the food. I worked well with people older than me and listened to instructions carefully. I counted money in drawers at the end and logged numbers.

ASSISTANT EVENT PHOTOGRAPHER 2023

I worked with my Uncle. I improved my photography skills, my skills to work under pressure and meet the clients' expectations through precise execution of photography tasks. I worked for events like weddings, national day dinner and Telok Blangah Halloween Party 2023.

PART TIME RETAIL
TYPO VIVO CITY 20 November 2024- 26 January 2025

I gained so much knowledge from this job. I learned how to work with and for other people. I learned how to use the POS and how to do the opening. It was a very good experience for me.

F&B BUSINESS 4 February 2025- 19 April 2025
COFFEE BEAN & TEA LIVE@AMK HUB

Working at Coffee Bean & Tea Leaf taught me to work efficiently in a fast-paced environment. I memorised various drink recipes and handled customer orders quickly while being friendly and professional.

PART-TIME RETAIL November 2025- 20 December 2025
BRAND CENTRE ORCHARD

Working at Adidas helped me grow and become more confident. I worked with people from different races and backgrounds, which improved my communication skills. I handled tax refunds, POS and POSC returns, operated the POS system, checked stock, and assisted customers across three store levels, which strengthened my teamwork and time management skills.

PART-TIME LIVE HOST
ADORN SINGAPURA MAY 2026-NOW

Working at Adorn as a live host and admin opened my eyes more towards the content creation industry as I also had to handle postings and creation of social media content. I had to learn to be more comfortable in front of the camera as well.
